

Cob Building Video Course Bundle

IMPORTANT INSTRUCTIONS:

Download Instructions: The video course is packaged inside of .rar files. These are just zipped files to make file transfer easier. They can be opened with most unzip softwares. I recommend a free software called WinRAR. Here is a download link: <https://www.winrar.com/download.html?&L=0>

There is a Mac version near the bottom of the download page if you are on a Mac.

Once you open the .rar files, the videos are inside.

Please let me know if you need any further help! You can email me at: alex@thiscobhouse.com

Video Courses Included:

- Cob Workshop Classroom. (This is the most comprehensive course on cob building.)
- 2019 Cob Video Workshop. (An addition to the 'Cob Workshop Classroom' course.)
- Cob House Design Course. (This course included design diagrams and videos on design.)

eBook Included:

- Build a Cob House: A Step-By-Step Guide: <https://free-cob-ebook.s3.amazonaws.com/Build+a+Cob+House+-+A+Step+by+Step+Guide+ver+2.1.pdf>

Cob Workshop Classroom – Downloads

These videos go in sequential order, but don't necessarily need to be followed like that. Each month contains several different topics that guide you through the construction of a cob building.
